Attention: Public Records Request handling department

Re: **Public Records Request – Disease Outbreaks**

Dear Sir or Madam,

This is a request for public information under the California Public Records Act. The records sought and to what extent are described below.

1. For the period starting January 1, 1990 and ending July 4, 2016, please provide all documents and summary reports showing all disease outbreaks in San Diego county, such as those related to chickenpox, whooping cough, measles, etc., and similar to those reported by local health departments to the local media as noted in the articles located at the following internet address:

http://www.cafepeyote.com/files/Vaccinated_Children_Outbreaks_Flyer.pdf

SPECIFICALLY, I WANT TO KNOW FOR EACH ONE OF THESE OUTBREAKS HOW MANY CHILDREN AND/OR ADULTS WERE VACCINATED AND HOW MANY WERE NOT. Thus for each one of these outbreaks I request all reports, victim/patient questionnaires, tally sheets, summaries or similar documents that specifically state the vaccination status of each person involved in such outbreaks as noted in the articles referenced above. All personal identifiable information of those involved in the outbreak should be redacted appropriately, making such data apt for full disclosure and non-exempt from release by your department under the CA Public Records Act.

If there are any fees for searching or copying these records, please inform me if the cost will exceed \$10.00. However, I would also like to request a waiver of all fees in that the disclosure of the requested information is in the public interest and will contribute significantly to the public's understanding of the possible dangers of mandatory vaccination/immunization of the general public, in particular children and persons with depressed immune systems. This information is not being sought for commercial purposes.

The California Public Records Act requires a response within ten business days. If access to the records I am requesting will take longer, please contact me with information about when I might expect such copies. Please provide all materials in electronic format by reply email.

If you deny any part of or this entire request, please cite each specific exemption you feel justifies the refusal to release the information and notify me of the appeal procedures available to me under the law. Thank you for considering my request.

Respectfully submitted,

You're Name
