

SUGGESTIONS FOR THE NEXT SB 277 LAWSUIT

VACCINATION AND PERSONAL/CONSCIENCE AND RELIGIOUS FREEDOM RIGHTS

- Religious Rights Best Defense – Noted in Constitution
- No mention of Personal or Conscience Rights, and I contend Illegally
 - **9th Amendment:** *The enumeration in the Constitution, of certain rights, shall not be construed to deny or disparage others retained by the people.*
 - **10th Amendment:** *The powers not delegated to the United States by the Constitution, nor prohibited by it to the states, are reserved to the states respectively, or to the people.*
- God-given rights -- All legal rights derives from such religious rights

- **Declaration of Independence:**

- We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness.

- That to secure these rights, Governments are instituted among Men, deriving their just powers from the consent of the governed –

- Government and its Employees Work for Us
- All other so-called rights have a foundation on legal precedent and simply restate God's/Natural Law rights established since antiquity, and reflected in the Holy Bible.

- **Common Law**

- The common law of England was largely created in the period after the Norman Conquest of 1066 -- Court Decisions Create Precedent for Future Cases. Yet, cases can be distinguishable; each case is unique.

- **Magna Carta of 1215 - King John of England**

- KNOW THAT BEFORE GOD, for the health of our soul and those of our ancestors and heirs, to the honour of God, the exaltation of the holy Church, and the better ordering of our kingdom ...

- FIRST, THAT WE HAVE GRANTED TO GOD, and by this present charter have confirmed for us and our heirs in perpetuity, that the English Church shall be free, and shall have its rights undiminished, and its liberties unimpaired.

- TO ALL FREE MEN OF OUR KINGDOM we have also granted, for us and our heirs for ever, all the liberties written out below, to have and to keep for them and their heirs.

- The U.S. and CA Constitutions do not create our rights, they simple reflect such God-given religious rights.

- **U.S. Constitution First Amendment:** *Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof*

- **CA: Article 1, Section 1:** *All people are by nature free and independent and have inalienable rights. Among these are enjoying and defending life and liberty, acquiring, possessing, and protecting property, and pursuing and obtaining safety, happiness, and privacy.*

- **CA Article 1, Section 4:** *Free exercise and enjoyment of religion without discrimination or preference are guaranteed.*

STATUS ON VACCINE CHALLENGES

- Turner/Moxley Case (Ana Whitlow) 2016 – Dismissed without prejudice at Fed D.Ct.
- Sharon Brown – state/fed/state - no appeal to Supreme Court, lack of funding
- Travis Middleton RICO case – appeal dropped – lack of funding
- A Voice for Choice – fed/state – waiting assignment of judges to determine if proceed
- **LACK OF FUNDING:** Anti-Mandatory Vaccination Advocate’s Self-Inflicted Wound

BREAKDOWN OF SHARON BROWN LAWSUIT

- Denied by Superior Court
- On Appeal the Attorney Left at Last Minute
- Did Not Present Oral Arguments – Proposed order: Attorney said he could not overcome
- Denied by Court
- Ordered to Pay Appeals Attorneys fee – **PENALTY – DISCOURAGE FUTURE LAWSUITS**
- Attorney Proposed deal – No Attorney fees, no appeal – Defendant’s accepted.

- **Argument against all defenses:** *“The right to practice religion freely does not include liberty to expose the community or the child to communicable disease or the latter to ill health or death.”*

- **Judicial Notice:** *Took judicial notice “of the safety and effectiveness of vaccinations in preventing the spread of dangerous communicable diseases, a fact that is commonly known and accepted in the scientific community and the general public.” - Brown did not cite authority to the contrary.*

THE NEXT COURT BATTLE: A STRATEGY

Judicial Notice: *Evidence in some cases without hearing or inquiry, is accepted by a court. It is typically a well-known or notorious or indisputable, proven fact.*

LIKE SHARON BROWN CASE: Ask the Court to Take Judicial notice of these facts and evidence:
(Request Discovery were appropriate)

- Vaccine Manufacturers and CDC have not done long term testing on vaccines
- Vaccine Manufacturers and CDC have not done any safety studies, short or long term, of the effects of the Administration of multiple vaccines at the same time.
- Vaccine Manufacturers and CDC have not done any studies comparing the health of vaccinated children compared to unvaccinated children.
- Certain viruses in vaccines are spread by those being vaccinated
- Judicial Notice that in some outbreaks, like Pertussis, only or the majority are vaccinated
- The U.S. Dept. of Health and Human Services violated the law and its obligation to do studies and report on the safety of vaccines recommended by the CDC for +30 years
- Judicial Notice of the multiple side effects of vaccines as listed in the Manufacturer's vaccine box inserts, including but not limited to

Nervous tics, allergic reaction, face edema, swelling face, pruritus, rash generalized; nausea, diarrhea, cellulitis, bronchiolitis, UTI, acute gastroenteritis, asthma, aspiration, breath holding, influenza, inguinal hernia repair, viral syndrome, URI, croup, thrush, wheezing, choking, conjunctivitis, pharyngitis, colic, colitis, congestive heart failure, severe migraine with unilateral facial paralysis; nerve compression in neck and arm, paraesthesia, hypoesthesia, facial palsy, convulsion, syncope, myelitis, anaphylactic and anaphylactoid reactions (can kill you); systemic lupus erythematosus (SLE), Guillain-Barré syndrome; multiple sclerosis, arthritis pain in extremity, tachycardia, encephalopathy, coma, Collapse or shock-like state, fainting, decreased level of consciousness, prolonged seizures, progressive neurologic disorder, including infantile spasms, uncontrolled epilepsy, or progressive encephalopathy, anaphylaxis (death can occur within 30 minutes of onset), Sudden Infant Death Syndrome (SIDS), and Death.

- Judicial Notice that the CDC Vaccine Flyers fail to inform the patient in a meaningful way of all the possible side effects of vaccines as compared to the vaccine inserts.
- Judicial Notice of the toxicity of each individual substance in vaccines, when injecting directly into the body and their side effects, including but not limited to:
 - Thimerosal, mercury, aluminum (toxic heavy metals), formaldehyde, glyphosate, GMOs, peanut oil, other live or inactivated viruses, bovine extract, polysorbate 80; Bird, Pig, Cow, Dog, Monkey, Mouse, Worm and Insect cells, tissue and DNA, and aborted fetal tissue.
- Judicial Notice that injecting a toxic substance into the body is thousands of times more toxic in the body than ingesting such toxic substances.
- Judicial Notice that some chemicals in vaccines, such as glyphosate, can easily penetrate the blood-brain barrier and carry other substances with it.
- Judicial Notice that pediatricians receive a bonus of \$400 or more if they are able to
 - Convince their patients to give their children all the vaccines in the CDC vaccine schedule

- They lose the bonus for a child if there is any VAERS or VSD vaccine injury report for that child.
- The VAERS is underreported by an estimated 90%
- Judicial Notice that toxic substances are always toxic, simply varying in degree
- Judicial Notice that different toxic substances affect people in different ways
- Judicial Notice of all lawsuits against vaccine manufacturers for hiding dangers of vaccines
- Judicial Notice that there is a revolving door of vaccine manufacturer representatives going back and forth between jobs with the manufacturers, HHS, CDC and FDA.
- Judicial Notice of the most recent studies on the negative aspects of vaccines (some mentioned above)
- Judicial Notice that the 1976 swine flu injured thousands of people and killed many and that the CDC promotion to make it a national campaign was based on no confirmed outbreaks of swine flu anywhere in the world, as admitted by the CDC head of the time, Dr. David Sencer.

PLAINTIFFS MUST CLAIM RELIGIOUS FREEDOM AND RIGHTS

- ***The Most Important Defense because religious rights and freedoms are noted in the First Amendment to the U.S. Constitution***

■ HOW TO PROVE YOUR RELIGIOUS BELIEFS AND RIGHTS AGAINST VACCINATION

- Bible vs. the Christian Church
- God through his Word, The Holy Bible must be our guide. ***The Bible Declares:***

1. OUR GOD-GIVEN RIGHT TO PROTECT OUR BODY

- ***What? know ye not that your body is the temple of the Holy Ghost which is in you, which ye have of God, and ye are not your own? -- 1 Corinthians 6:19***
- ***Know ye not that ye are the temple of God, and that the Spirit of God dwelleth in you? -- 1 Corinthians 3:16***
- ***If anyone destroys God's temple, God will destroy him; for God's temple is holy, and that is what you are. -- 1 Corinthians 3:17***
- ***When Jesus heard it, he saith unto them, They that are whole have no need of the physician, but they that are sick: I came not to call the righteous, but sinners to repentance. -- Mark 2:17***
- ***Wherefore come out from among them, and be ye separate, saith the Lord, and touch not the unclean thing; and I will receive you. -- 2 Corinthians 6:17***
- ***Or if a soul touch any unclean thing, whether it be a carcass of an unclean beast, or a carcass of unclean cattle, or the carcass of unclean creeping things, and if it be hidden from him; he also shall be unclean, and guilty. -- Leviticus 5:2***

2. OUR GOD-GIVEN RIGHT TO PROTECT OUR CHILDREN

- ***And whosoever shall offend one of these little ones that believe in me, it is better for him that a millstone were hanged about his neck, and he were cast into the sea. -- Mark 9:42***
- ***Lo, children are a heritage of the LORD: and the fruit of the womb is his reward. -- Psalm 127:3***

3. OUR GOD-GIVEN RIGHT TO DISOBEY EVILDOERS

- ***Who will rise up for me against the evildoers? or who will stand up for me against the workers of iniquity?*** -- Psalm 94:16
- ***It is an abomination to kings to commit wickedness: for the throne is established by righteousness.*** -- Proverbs 16:12
- ***If a ruler hearkens to lies, all his servants are wicked.*** -- Proverbs 29:12
- ***Enter not into the path of the wicked, and go not in the way of evil men.***
-- Proverbs 4:14
- ***That he would grant you, according to the riches of his glory, to be strengthened with might by his Spirit in the inner man.*** -- Ephesians 3:16
- ***And have no fellowship with the unfruitful works of darkness, but rather reprove them.***
-- Ephesians 5:11
- ***Finally, my brethren, be strong in the Lord, and in the power of his might. Put on the whole armor of God, that ye may be able to stand against the wiles of the devil. For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places. Wherefore take unto you the whole armor of God, that ye may be able to withstand in the evil day, and having done all, to stand ... Above all, taking the shield of faith, wherewith ye shall be able to quench all the fiery darts of the wicked. And take the helmet of salvation, and the sword of the Spirit, which is the word of God: Praying always with all prayer and supplication in the Spirit, and watching thereunto with all perseverance and supplication for all saints; And (pray) for me, that utterance may be given unto me, that I may open my mouth boldly, to make known the mystery of the gospel. AMEN*** -- Ephesians 6:10-13, 16-19

FILING A CONSCIENCE AND RELIGIOUS FREEDOM COMPLAINT WITH FEDERAL DOJ AND/OR HHS

If you want to file a Vaccine Religious Freedom Complaint (which can be a **Class Action Complaint***) with federal DOJ and/or HHS, prior to a lawsuit to see if you can get the feds to defend your position, see my presentation below regarding such procedures.

*In the DOJ Educational Opportunities Section instructions on filing civil rights complaints, it states in part:

“If we believe the complaint raises an issue of general public importance (applies to many, a Class Action complaint), we may attempt to negotiate a formal settlement (initiated by a cease and desist order) of the matter, or we may file a lawsuit in federal court. Any such action would be taken on behalf of the United States.
